

Report of Induction Program for the academic year 2020-2021

In the year 2020–2021, due to COVID-19, classes were conducted online. An online induction program was organized by our institution to welcome the first-year students.

Google Meet was selected as the common platform for online classes. To begin with, the teachers were trained on how to use ICT tools by showing demos in the seminar hall and sharing information through WhatsApp groups of teachers. A Whatsup group was created for each combination. A Google Meet link was sent to the Whatsup groups to attend online classes.

The first day was dedicated for the induction program. Through a PowerPoint presentation, our teachers gave information about facilities available in our college, rules and regulations, and other activities of our college. In this program, students were oriented towards the curriculum, criteria of internal assessment, and credits of the courses to attain course and program outcomes.

Glimpse of Induction Program for the academic year 2020-2021

Sathisha C, Asst. professor, Dept. of Computer Science educating staff about google meet

Sree Siddaganga Education Society®
